Comprehensive, integrated solutions to help you achieve a safer, more productive workplace.

- On-Line And Mail-In Medical Evaluations
- On-Line Respirator Training
- Audiometric Testing
- Compliance
- Record Keeping

<b>⚠WARNING</b>	
	<p>These respirators help reduce exposure to certain airborne contaminants. Misuse may result in sickness or death. Before use, the wearer must read and understand <i>User Instructions</i> provided as a part of product packaging. Time use limitations may apply. For proper use, see supervisor, packaging or call 3M OH&amp;ESD Technical Service, call 1-800-243-4630. In Canada, call 1-800-267-4414 or 1-800-265-1840, ext. 6137.</p> <p>Each respirator must be properly selected based on the contaminant and concentration levels to which the worker is exposed. Particle respirator 8000 may be used for exposures below 10X the PEL or applicable government occupational exposure limits, whichever is lower.</p> <p>Failure to follow the use and fitting instructions and warnings for proper use contained on the respirator packaging and/or failure to wear the respirator during all times of exposure can reduce respirator effectiveness and may result in sickness or death.</p>
